The Proposer with the lowest Cost receives 100% of maximum available points (200).

The remaining proposers will receive the number of points based on the percentage of the lowest cost proposal to their cost proposal.

Proposer #1 has the lowest cost proposal - they receive all 200 points.

Proposer #1's Cost / Proposer's #2's Cost = XX% of the maximum available points are awarded to Proposer #2

For Example:

Proposer #1 bids \$100

Proposer #2 bids \$120

Proposer #1 gets 100% of points or 200 points

Proposer #2 gets 83% of available points or 166 points (100/120 = 83%)
