

**A Resolution by the
Southwest Georgia Regional Commission
to Adopt the
*Southwest Georgia Economic
Recovery & Resilience Strategic Plan***

Whereas, the Southwest Georgia Regional Commission has found it necessary to create its *Economic Recovery & Resilience Strategic Plan* as developed through funds provided by the Economic Development Administration through the Coronavirus Aid, Relief, and Economic Security Act; and

Whereas, the *Economic Recovery & Resilience Strategic Plan* is vital to directing the activities within Economic District, Region 10 to the benefit of the region as a whole; and

Whereas, the *Economic Recovery & Resilience Strategic Plan* was prepared with adequate input from stakeholders and the general public; and

Whereas, the *Economic Recovery & Resilience Strategic Plan* has been found to be in compliance with the planning requirements and impact criteria for the Economic Development Administration for said plans;

Now, therefore be it resolved, the Regional Council of the Southwest Georgia Regional Commission hereby adopts the *Economic Recovery & Resilience Strategic Plan*, as approved for the region's economic development foundations and goals henceforth.

Duly enacted this 24th day of February 2022 at a regular session of the Regional Council.
