

## **SWGRC July 2022 Guest Speaker**

In her role as the Launch Manager for the Georgia Center for Employee Ownership (GACEO), Marie Davis is responsible for establishing the network of partners and delivery of programming necessary for the GACEO to carry out its mission of the creation of new employee-owned companies throughout all of Georgia by providing unbiased education, outreach, and technical assistance on all forms of employee ownership. In addition to her passion for employee ownership, Marie is also passionate about providing opportunities for all children through mentoring programs. Using her degree in Social Work from the University of Georgia, Marie has spent many years in different roles in the mentoring field including the Director of Mentoring for Center Point, a non-profit in Hall County Georgia and a Technical Assistant for mentoring.org, the National MENTOR program. Marie is a lifelong Georgia native – Go Dawgs!
